“ After reading what everyone has written, what else is there to say except that they have also expressed what is in our hearts. We loved Johnnie, and our lives have been blessed by her friendship.

“ Ms. Johnnie was a dear, sweet lady whom we met at Beth's and learned to love. She loved to tease, had a very generous heart, and was fun to be around. We have heard of many instances where she helped people and blessed them, especially with her cooking skills, and we were the recipients of some of those tasty treats. She was indeed a beautiful lady inside and out, and we will miss her. Carol and Mack Mullis

“ From the time my daughter was old enough to remember, she loved going to get one of Miss Johnnie's egg sandwiches. Miss Johnnie made a lasting memory with my daughter, Beth Plyler Halasz.. Miss Johnnie always took special care of my husband Billy Cato, when we would go to Beth's she would always bring him 2 pulley bones, she knew he loved them. It was so special the way she made others feel. Glenda I know you will miss her. She was so proud of you!!

Loving memories

“ Lance and I send our sincere condolences to each of the family. Having known this amazingly strong woman personally, professionally, and spiritually, we are deeply saddened - not only for your loss, but the community's, as well. Johnnie's selfless life serves as a positive role model for women everywhere! We are indeed thankful to God for the privilege of having known her as friend, business woman, loving mother, and one whose examples of Jesus were practiced on a daily basis. We are here today not to mourn her loss, but to celebrate a life well lived, and a home-going well deserved.

“ Johnnie was a wonderful, loving, sweet lady, a gracious hostess when anyone entered into her home. A wonderful wife to my brother. A most precious and loving Mother, grandmother. I cannot not say enough good things about her. I will miss our talks at the kitchen table drinking coffee. She cared deeply for her family and friends. She went out of her way many times to help those in need even if she didn't know them. Glenda, Don, Freddie, Colby. My most sincere sympathy. She did fight a good fight and now she is receiving her reward in Heaven. Many wonderful memories will allow her to live forever in our hearts.
